THE MINISTER OF STATE IN THE MINISTRY OF CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION (DR. AKHILESH PRASAD SINGH): (a) and (b) Yes, Sir. In order to strengthen Public Distribution System (PDS) in the country after evaluation studies by Programme Evaluation Organisation of Planning Commission (PEO) and ORG-MARG, five regional conferences of State Food Secretaries were held. They were followed by a national conference of State Food Ministers and Secretaries held on 29-03-2006. Based upon feed back of these conferences, a nine point action plan was prepared for implementation by all State/UT Governments. One of the points under the Action Plan is to undertake continuous review of BPL/AAY lists, to eliminate the ghost ration cards. Some of the States/UTs have completed a campaign on this issue and others are continuing the exercise. During this, the respective State/UT Governments review the BPL and AAY ration cards to eliminate the bogus ones from among them. This is an ongoing continuous process.

The action taken by the State/UT Governments on this issue is reviewed by the Department of Food and Public Distribution during meetings of State Food Secretaries from time to time.
